

May 25, 2015 - 8:00 pm – Rising Park

Please join Twig 14 in our 3rd annual **Night of Light** during a live musical celebration with over 200 floating lanterns on Rising Park pond to honor and memorialize loved ones at sunset on **Monday, May 25, 2015**. The lantern display will be available beginning at 8:00 pm with the lantern launch taking place at approximately 8:30 pm.

The aim of Night of Light is to give people a personal moment to memorialize a loved one or honor a special person in their life. It is a chance to be surrounded by the love, understanding and support of others – even strangers, who are experiencing many of the same feelings and emotions. We are strengthened as a community as we reach out to support others and build understanding of our common human values and experiences.

Twig 14 works to assist Fairfield Medical Center with the purchase of needed equipment and to support hospital programs.
