Main Entrance and Valet Parking

North Entrance

Please use this entrance if the reasons you are coming to Fairfield Medical Center are:

- Assembly Rooms
- Cardiac Rehab
- Cardiopulmonary Diagnostic Testing
- Cath Lab Procedures
- Endoscopy
- Emergency Department
- Outpatient Services
- Visitors for the Observation Unit

North Registration is open Monday through Friday, 5 a.m. -10 p.m.
and Saturday 7 a.m. - noon

North Waiting Room - (#2 on the map) Waiting/check-in area for Cardiopulmonary Testing, Endoscopy and the Observation Unit.

Emergency Entrance - The Emergency Department entrance is at the North Entrance. All patients, family members and other visitors will enter the Emergency Department through the North Entrance. The Emergency Entrance is open 24 hours a day.

Main Entrance - This entrance allows you access to the new surgical tower and Wishes Gift Shop. If you are coming to FMC on the weekend for outpatient testing/procedures, it will be more convenient for you to use the North Entrance/North Registration area.

Please use this entrance if the reasons you are coming to FMC are:

- Laboratory testing
- Mammography
- Maternity
- Surgery
- Visiting a patient
- X-ray (CT Scan, MRI, Ultrasound and Nuclear Medicine)

South Registration is open Monday – Friday from 6 a.m. to 5 p.m.
and is closed on Saturday and Sunday.

Parking Garage

- **Ground Level** – Lowest Level of Garage
Access to the Ground Level from Goslin Dr
- **Mid-Level** – Middle Level of Garage
- **Top-Level** – Top Level of the Garage, 1st Floor Level of Hospital
Includes Emergency Entrance and North Entrance

Special Instructions:

Maternity Patients - Expectant mothers who are in labor should use the North/Emergency Entrance. This top level is open 24 hours and will provide mothers quickest access to patient care.

Patients for early morning procedures - If your physician has scheduled you for an early morning procedure and needs you to come in prior to 6 a.m., please use the North/Emergency entrance.

Surgery Patients - Patients coming to FMC for surgery should utilize the Main Entrance located on the south side of campus.

Fairfield Medical Center welcomes you to our tobacco free campus.
