FIRST BABY OF THE YEAR DELIVERED AT FAIRFIELD MEDICAL CENTER

LANCASTER, Ohio (January 2, 2009) – The first baby born at Fairfield Medical Center arrived earlier than expected on new years day. Bailey Mae Hyde entered the world at 2:00 pm, at 6 pounds 1 ounce. “I was surprised to find out that Bailey was the first baby of the year born here at Fairfield Medical Center since she wasn’t supposed to be born until January 25th,” Mother, Jessica Matthews, said of having the first baby of the year. As first-time parents, Jessica and Dustyn want the very best for their daughter, Jessica commented, “I want her to live a long healthy life and be very happy and be very successful.”

Dustyn Hyde, Father and Lancaster native, couldn’t hold back his excitement. “I was shocked to find out Bailey was the first baby of the year, in fact Jessica and I were just talking the other day about it being crazy if it happened! I was just so emotional when I found out that Bailey was born early that it was the last thing on my mind, after finding out, it is really cool.”

The proud couple received a basket from Fairfield Medical Center congratulating them on their new edition. The basket contained much needed items for the baby, which include, a \$100 savings bond, first aid kit, burb cloth, rattle and pacifier, photo album, bathroom accessories, diapers, and much more! Babys’R’Us donated items to put in the basket for the occasion as well.
