SUBJECT: AMERINET GROUP PURCHASING AGREEMENT

Amerinet recently renewed its agreement with Ohio Valley Hospital Consortium (OVHC). The OVHC is composed of Fairfield Medical Center, Adena Health System, Holzer Medical Center, and Marietta Memorial Hospital. Such an agreement is good news for Fairfield Medical Center due to the group purchasing discounts for supplies. Specifically, this partnership will focus on total supply spend management and margin improvement tools. Fairfield Medical Center is very happy about the renewal of this agreement.
