SUBJECT: COMMUNICABLE DISEASE CLASSES

Fairfield Medical Center is offering a class that is designed for healthcare providers, childcare providers and anyone who works with individuals that may come in contact with a communicable disease. Curriculum will follow the Communicable Disease Manual provided by Job and Family Services. There is a full certification for those who do not have a current card and a re-certification for those who need an updated card. The class will be held at Fairfield Medical Center on Saturday, April 14. The full certification will be held from 9:00am to 3:00pm at a cost of \$35.00, and re-certification is from noon to 3:00pm, for \$25.00. Prepaid registration is required. Please contact 740-687-8007 for more information.
