SUBJECT: DOCTORS' DAY PROCLAMATION

On March 29th, Mayor David Smith arrived at Fairfield Medical Center to present Dr. John Stevenson, M.D. with a proclamation in honor of Doctors' Day. National Doctors' Day on March 30th, provides a time for people to show appreciation to the doctors who care for them or their loved ones. Fairfield Medical Center is very fortunate to have such caring and hard working physicians on board, and it is gratifying to know that the mayor is acknowledging such importance.
