Mrs. Conda Barlow, RN has been chosen by her peers as the Fairfield Visiting Nurse Association Employee of the Month for January. Mrs. Barlow has a long history with Fairfield Medical Center. Mrs. Barlow also composes the home health aide staff schedules, and is responsible for the CHF telephone triage.

When asked about Mrs. Barlow, some of the comments submitted were: "She has stepped into a very difficult job with grace, she is always helpful, and she goes the extra mile for patients and home health aides." Congratulations, Conda!
