SUBJECT: FVNA MARCH EMPLOYEE OF THE MONTH

Debbie Franke has been chosen by her peers as the Fairfield Visiting Nurse Association Employee of the Month for March. She began her career at Fairfield Medical Center in 1999 as an Information Specialist. She is responsible for coordinating with the nurses and therapists, coding patient admission and clinical information to meet Medicare, Medicaid, and insurance requirements, as well as tracking hundreds of pieces of information generated each day by the agency. Comments from her peers include “Debbie is pleasant even under stress,” “Debbie has great knowledge from which we all benefit,” “She’s thorough and gets her job done efficiently.” Congratulations Debbie!
