SUBJECT: MATERNITY DEPARTMENT SECURITY

Beginning March 1, 2007, the Fairfield Medical Center Maternity Department will become a locked department for the safety of our patients and visitors. Visitors will be required to push the intercom button at the visitor's elevator and give the patient's name they wish to visit in order to enter the Maternity Department. For more information regarding this matter, please call the Childbirth Educator at (740) 687-8218.

For any media inquiries, please call the Marketing Department at (740) 687-8007.
