SUBJECT: STATE OF THE CENTER

The annual "State of Fairfield Medical Center" update is scheduled on Tuesday, April 3rd. The meeting will be held in our Assembly Rooms on the second floor. The briefing starts at 5:30 p.m., which will include a financial report (Audited Statements for 2006) and an update on new services, challenges, and plans for 2007. This will be followed by a question and answer session. We anticipate that this briefing will last no longer than an hour. You are welcome to use our free parking garage (take the elevator from the garage to floor 2R).

We hope that you will be able to attend this presentation. Seating is limited and RSVPs are requested to 687-8009 or 687-8077 with after-hours voicemail or e-mail to shelleym@fmchealth.org. We look forward to seeing you on Tuesday evening, April 3rd.
