CONGRESSMAN DAVE HOBSON VISITING FAIRFIELD MEDICAL CENTER

LANCASTER, Ohio (August 23, 2007) – Congressman Dave Hobson will be visiting Fairfield Medical Center on Tuesday August 28th at 2:00 pm. He will be meeting with hospital officials and touring the facility, including the proposed site for a new clinical skills training lab and medical library. Congressman Hobson is working to secure funding for the new clinical skills training lab and medical library at Fairfield Medical Center. This new facility will help promote healthcare recruitment and provide an enriching environment for learning.

Over the years, Hobson has worked with local officials to secure funding for various projects at Fairfield Medical Center. He currently serves as the Ranking Member of the Energy and Water Development Appropriations Subcommittee and as a Senior Member of the Defense Appropriations Subcommittee. During his time in the Ohio State Senate, he served as the Chairman of the Ohio Senate Health Committee.

WHAT: Congressman Dave Hobson will tour the Fairfield Medical Center and meet with hospital officials to discuss a proposed new clinical skills training lab and medical library.

WHEN: The visit will take place at 2:00 pm.

WHERE: Fairfield Medical Center, 401 North Ewing Street, Lancaster, Ohio
