FAIRFIELD MEDICAL CENTER STAFF MEMBER APPOINTED TO FAIRFIELD MEDICAL CENTER FOUNDATION BOARD

LANCASTER, Ohio (September 18, 2009) – Katie Stevens has been appointed to the Fairfield Medical Center Foundation Board to serve as a representative for the Fairfield Medical Center staff. Stevens is a Reimbursement Specialist in the Contracts and Collections Department and has worked at Fairfield Medical Center for eight years.

Ricki Chenault, Foundation Director, said Katie Stevens applied for the Foundation Board member position during the 1916 Campaign after the Foundation asked for staff representation, "Katie is perfect for this role because of her energetic and hardworking nature. We look forward to her serving on the board and feel that she will represent her colleagues well."

Stevens noted that she applied because, "Serving on the Board would be a way for me to give back to the great place that I work for." The Fairfield Medical Center Foundation welcomes Katie Stevens, whose appointment begins in December.

The Fairfield Medical Center Foundation Board was established in 2003 to direct the Foundation's fundraising and stewardship efforts in support of Fairfield Medical Center's mission. Currently the board has 14 members including community members from Fairfield and Perry counties, representation from the hospital TWIGs, and Fairfield Medical Center's general and medical staff.
