Heart Health & Sponsorship Opportunities 2024

Come be a part of something big!

In 2024, the FMC Foundation is committed to supporting cardiovascular health at Fairfield Medical Center. By sponsoring our events, you can be an important part of our healing mission.

For more than a decade, Fairfield Medical Center has delivered outstanding cardiac care to patients in Lancaster and beyond, and our organization plays a vital role in serving southeast Ohio. Thanks to FMC's exceptional staff and capabilities, we have saved thousands of lives to date — and we want to save more.

"I've often said where you live should not dictate if you live," said cardiologist Jeremy Buckley, MD. "Our patients are living proof of that."
