## Things to remember

- Reminder: You cannot have anything to eat or drink (including water) the day of your procedure except your bowel prep and a small sip of water to take your medicine.
- Someone has to drive you to the hospital, stay at the hospital until you are done and drive you home. You cannot drive the day of your colonoscopy. **If you do not have someone to do these things, your colonoscopy will be cancelled.**
- If you take an iron supplement, stop taking them five (5) days before your procedure to avoid discoloration of your stool.
- The office will let you know which of your medications need to be stopped and for how long. Some of the most commonly adjusted medications include blood thinners and diabetic medications. Medication instructions:
